

Fresno Unified School District

CHIROPRACTIC CARE PLAN SCHEDULE OF BENEFITS FOR ALL PLAN OPTIONS A, B AND C

The Plan covers Chiropractic Care in coordination with PhysMetrics. Please review the benefits under this Chiropractic Care Plan. It is to your advantage to use a PhysMetrics Network Provider to receive the best benefits for you and your Dependents. Please contact PhysMetrics at (559) 447-3375; www.fusdchiro.com to locate a Provider near you.

SUMMARY OF CHIROPRACTIC SERVICES		
Chiropractic services by PhysMetrics Provider (Deductible waived)	\$5 Copayment then 100% of the PhysMetrics contract rate	
Chiropractic services by Non-PhysMetrics Provider Outside 100 miles of Fresno ONLY Referral must be given by a Physician and also Pre-Certified by PhysMetrics.	Plan A and Plan C 60% of Usual, Customary and Reasonable Charges after deductible	Plan B 50% of Usual, Customary and Reasonable Charges after deductible
<p>Chiropractic Diagnostic X-Ray Benefit is limited to a \$100 per benefit Calendar Year maximum paid at 100% Usual, Customary and Reasonable Charges, or the PhysMetrics contract rate, after the Plan’s Deductible has been satisfied.</p> <p>28 visits maximum per Calendar Year 10 visits allowed per month and 1 visit allowed per day. Note: For chiropractic treatment exceeding 12 visits per Calendar year, the chiropractor must submit a “12th visit review” and PhysMetrics must pre-certify additional visits for the remainder of the Calendar Year.</p> <p>Massage therapy is excluded unless pre-certification is received from PhysMetrics.</p> <p>The following protocol will apply for chiropractic treatment for minor children:</p> <p>Treatment For Dependents 15 years of age and under requires Special pre-certification by calling PhysMetrics at (559) 447-3375. All children fifteen (15) years of age and under must have a written precertification for treatment before any claims will be paid. In the case of an Emergency or where authorization was unable to be obtained on the first visit, then <u>ONLY</u> the first visit will be covered.</p>		

“Chiropractic Care” means chiropractic treatment from a licensed Chiropractor (D.C.) for a musculoskeletal disorder (bone, muscle, tendon and joint) and for related diagnostic x-rays performed and billed by the chiropractor.

A PhysMetrics chiropractic doctor must be used within one hundred (100) miles of Fresno; when outside 100 miles, services for any non-Preferred Provider Organization chiropractic doctor must be referred by a Physician and pre-certified by PhysMetrics.
